

In accommodation, meals and food arrangements:

MSR Tent perfect, better preparation for special diet could have been better - Communication needs to be improved on that area.

Did you use a travel agent for booking or ticketing - if so who were they and what service did they provide ?

New England Travel
 < booking
 < ticketing
 < etc

Would you recommend them or use them again ?

Always

Would you recommend or use Kokoda Treks and Tours again ?

If I was to do a history trek again - not sure for a trek experience only

What did you think was the best feature or activity of the programme ?

Interaction with the staff & porters - added to the experience plus the singing was incredible

Timing (10 days) - allow to really understand the track and its history

What did you think was the worst feature or activity of the programme ? (if any !!)

None other than better dietary matching

Are there any improvements, alterations or changes to the activity you would consider worthwhile ? If so, please list. (Use back of questionnaire if required ...)

Do you have any suggestions on advertising/marketing our tours ? Add a page if needed, please. (Use back of questionnaire if required)
